Welcome to another grand slam helping of the gorgeous horny-stuff. Alongside the usual tasty tit-bits and mouth-watering dishes, this month's menu contains . . . a voyeuristic peep into a wine-bar, alongside antics with flesh-photographer Jack Harrison in Amsterdam. The chef's special is calendar girl Jo Guest and I've been let out of the tool-shed to deliver the after dinner speech in defence of table-top and pole-dancers against Uncle Sinclair's insistence that Burlesque is better. Enjoy your meal . . . er, I mean mag. Until next time, make mine a sticky one!

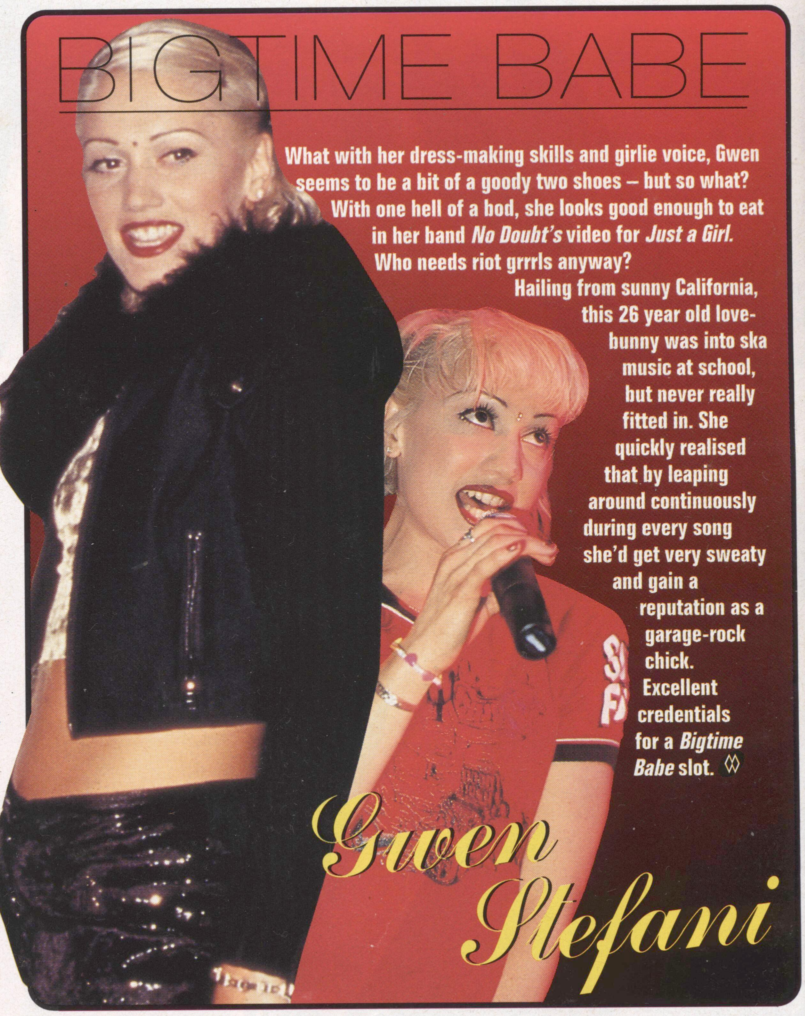
BIGTIME BABE



What with her dress-making skills and girlie voice, Gwen seems to be a bit of a goody two shoes – but so what? With one hell of a bod, she looks good enough to eat in her band *No Doubt's* video for *Just a Girl.* Who needs riot grrrls anyway?

Hailing from sunny California, this 26 year old love-bunny was into ska music at school, but never really fitted in. She quickly realised that by leaping around continuously during every song she'd get very sweaty and gain a reputation as a garage-rock chick. Excellent credentials for a *Bigtime Babe* slot.

MORE, MORE, MORE!

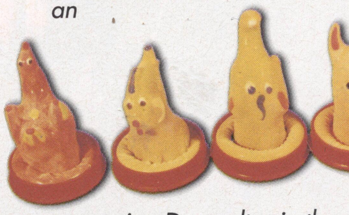
Dear Men's World,

While I have to agree that the winner of the babe of the year crown Claudia is nothing short of a cracker, my vote went to Drew Barrymore lookalike Courtney (vol. 8 no. 6). The fact is that I'm so obsessed by Drew that I only have to hear the slightest mention (never mind see a photo or movie) of her name and I lose complete control of my senses – all except one! So I'm down on my knees, begging you please, please, please do a new Courtney shoot soon.

And while I've got your attention, why not do a feature on the movies of Ms. Barrymore while you're at it?

Ronnie, Grimsby.

We're all fans of darling Drew (in fact we've got an ever-growing Drew altar in the Men's World office) so all your suggestions have been taken on board. You can get off your knees too Ron, as begging won't help you. We only understand hard currency round here mate.



HI BOYS!

I hope you won't be disappointed that there isn't my usual *Be My Guest* picture spread his month, because I've been busy shooting something very special. Turn to the centre and you'll find my very own pull-out calendar. Sorry that it's a bit late – I've only just thought of the idea and it seemed a shame to leave it for a year, so as my punishment, I'll imagine I'm getting a good spanking from you (hey, I *like* this punishment). Love ya!

CZECH THESE OUT!

Dear Men's World,

I know there's been a world of difference between us and those buggers in the Eastern bloc, but check out what those cheeky Czech chaps like rolling onto their rods prior to giving their partners a good rogering!

I collected these little beauties (or should that be uglies?) on a recent visit to Prague.

I was quite surprised to find that such things were actually on sale – let alone in use. I don't know about you, but if I approached my missus with one of these latex critters on my cock, she'd either run a fucking mile or collapse in a heap of uncontrollable laughter, which would inevitably leave me limp!

Quick, call Mulder and Scully. Actually, on second thoughts, just Scully will do.

Why does no one like Mulder that much? . . . Oh, really. Is he?

Dear Men's World,
So you thought that Martin from London's (vol. 8 no. 13) ANTPISS sweets were strange eh? Well I reckon this trio of Scandinavian taste-bud ticklers from my collection (SKUM, SORBITS and PLOPP) will take some beating!

WHAT'S UP DOC?

Dear Men's World,
It's great to see that the best sex mag on the market is continuing to cram major portions of mirth and madness into its illustrious pages! Which is why I know you and your readers will die laughing when I tell you what happened to my friends Bob and Carol last Christmas.

One of their closest friends (Tony) had won a sizeable chunk of dosh on the National Lottery and decided to throw a costume-ball to celebrate his windfall. Bob's a bit of a lazy bastard, so Carol was left with the task of renting the costumes.

Unfortunately, on the morning of the party Carol wasn't feeling so good, but not wanting to spoil Bob's big night out, she talked him into going without her. Not one to turn down the chance of a free piss-up, he took his costume with him to work.

However, later that evening Carol started feeling much better and as the party was going to be a bit of an all-nighter, she decided to go after all. She did have an ulterior motive though. As Bob hadn't seen her costume (which was a pink version of his *Easter-bunny* one), her arriving without him knowing would give her a perfect opportunity to see how he behaved (or didn't) when she wasn't around!

When she got to the party, she spotted the costumed Bob dancing rather saucily with some bird decked out like *Betty Boo!* Carol was having none of it and steamed straight in, bumped *Betty* aside and proceeded to openly flirt with her husband. After a few dances, at his muffled

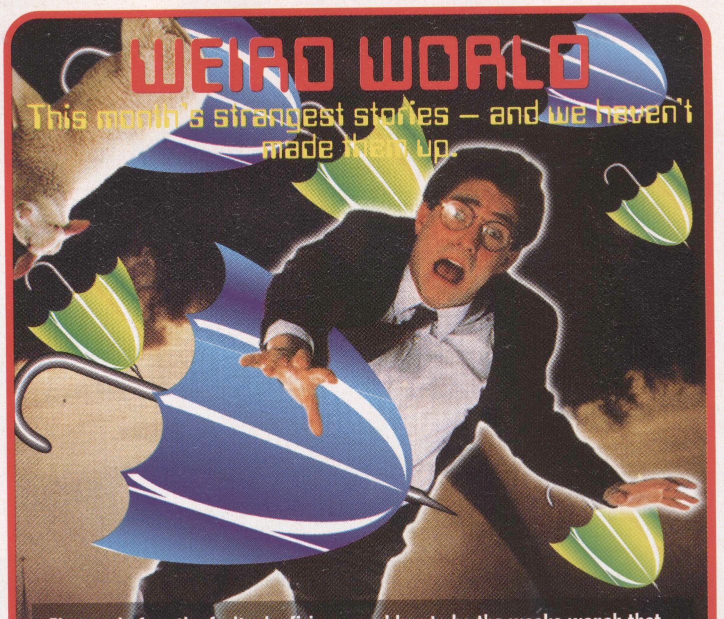
WEIRD WORLD

This month's strangest stories – and we haven't made them up.



First up before the fruitcake firing squad has to be the wacko wench that tried smuggling 75 live snakes through Swedish customs inside her bra. She was only tumbled when officials saw her scratching her chest suspiciously . . . Pissed-off American postal clerk Alfred Hunter decided that hijacking a private plane could cure his stress. Having repeatedly dived the plane at the postal facility where he worked, he landed and surrendered to the police. Obviously a bit of a bad letter day . . . But not as bad as Karel Soucek's, who was dropped in a barrel from the roof of the Houston Astrodome. Having been aimed at a water tank on the field, the stunt man suffered a fatal skull fracture when he bounced off the edge of the tank . . . Back home however, an unsuspecting teenager in out-of-season Southend met his untimely demise when a beach umbrella was uprooted during a storm and speared him through the chest . . . Wet, wild and weirdly wonderful, or what?

THE ORIGINAL NATURAL BORN KILLERS!

Did you ever see the movie that introduced the world to the fresh faced talents of Martin Sheen and Sissy Spacek, *Badlands?* If so then you'll be familiar with the star-crossed true love story and killing spree perpetrated by fucked-up rock and roll teenagers Charlie Starkweather and Caril Ann Fugate in 1957. If you didn't, then read Jack Sargeant's *Born Bad*. It recounts the couple's strangely compelling actions, which at the time shocked America. That was then, but this is now . . . While Jeri Cain Rossi's trailer trash tales of love, life and death may be populated by all manner of beautiful losers going nowhere and fast, she certainly isn't – she's gonna be huge and you read it here first!

Having a bad day? Well get a good look at Sonya and you'll be soon be sporting more than a grin! The 35-25-35 cock-stiffening sizzler sent us this session from her holiday villa with a message for all our readers. Jack The Lad

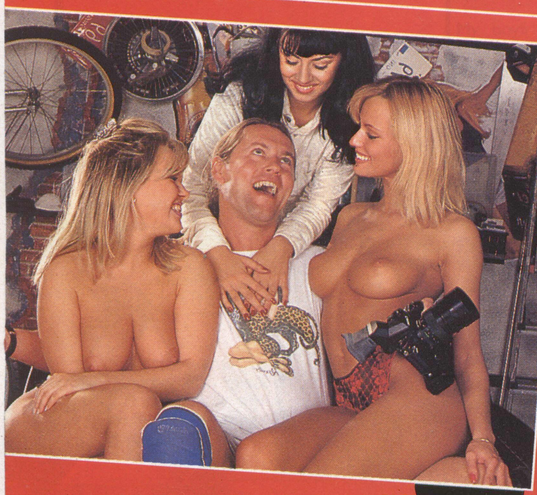
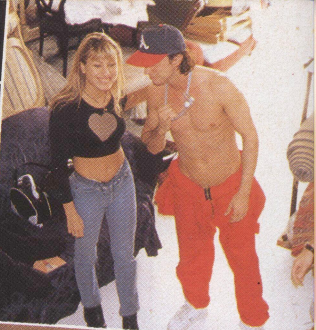
IS THIS THE BEST JOB IN THE WOR

WE SENT A CRACK MW TEAM TO AMSTERDAM TO SEE IF TOP CAMERAMAN JACK HARRISON'S JOB IS ALL IT'S MADE OUT TO BE.





In the world of work most of us wake depressed at the thought of another eight hours of mindless drudgery. Jack Harrison on the other hand, spends all day pointing a camera at some of the world's most gorgeous women – naked. Forget the old image of a glamour photographer as some fat, sweaty pervert in a grubby mac, 39 year-old Jack is a rather dashing geezer with pony-tailed hair, a part Austrian, part Dutch accent and a knack of greeting everyone as, "Hi baby." However, Jack would give up his enviable career if he could be an instant Bon Jovi, but although he strums a Gibson, his ten cameras are the instruments he knows how to handle best.

Although he started off 15 years ago taking wildlife photos, he soon decided living the wild life was more fun and thanks to an accommodating girlfriend he snapped his first naked woman.

No sleep, a crap flight, losing his address and not having anywhere to stay quickly became unimportant, as bursting into his studio we were confronted by the stunningly erotic Gina wriggling around in some weird garage set.

"I painted all the scenery myself," Jack proudly declared as he spread Gina's stockinged legs a bit wider and thrust his camera pubewards. "OK, I get well paid, but these tyres for instance – I couldn't get worn ones and these set me back £300."

While our hearts bled we wandered to the kitchen in search of some Edam on toast only to bump into a completely starkers brace of models – namely the divine Yvonne and Micha who were preparing their own culinary feast. All thought of sustenance was discarded.

Jack takes the pics, but a team of stylists, assistants and make-up artists mould the models into the visions that grace the photos. And then there's May, Jack's babe-like sister and other half of the business. Jetting round the world seems to be her exact job description. That and buying and selling antique pine. We could only wonder where the hell she finds all the time to be cute.

Another member (quite literally) of the troupe is a bloke called Tony, who apart from running the admin side, is in possession of a giant todger that erects at will. He is therefore drafted in to provide the muscle for boy/girl shots that feature highly in American mags. Due to our perverse censorship laws, British mags are a stiffy-free-zone. Gina seemed quite pleased though and made us all very jealous by giving said member her undivided attention.

"Americans love these kind of duo pictures," Jack explained kneeling dramatically in his skateboard knee protectors. "In fact the

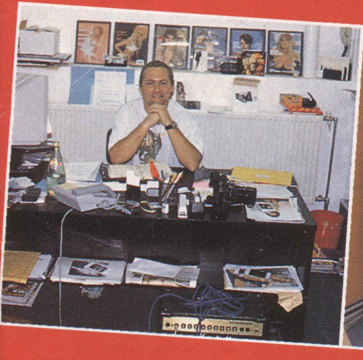
more the merrier. I had to photograph a ten girl orgy recently, which was really hard work." Hard maybe Jack, but work? . . . Err . . . With a work-load involving 10 to 15 girls a month we asked the still clicking Jack how he controlled girls, possibly immersing themselves in Amsterdam's liberal night-life for the first time.

"Sometimes it's hell because five girls have got wasted the night before. I want to start at 8 am and they've all got bags under their eyes and look half dead. I can be fairly strict though," he says with an evil glint in his eye as Yvonne brings him a cold beer and Angelique adoringly holds his camera while he changes film. They all bloody love him the bastard!

Then someone asked the subtle question: "Do you get to shag 'em?" causing the rest of us cringe and await the wrath of Jack. The silence is deafening, as a thousand X-rated memories flit gazelle-like across his brow. "Er . . . Well, sometimes, perhaps," he murmurs sheepishly.

Not only does the man spend his time with the horniest examples of womanhood, he also goes on trips to exotic destinations to photograph them – like Florida for two months, where apart from jet skiing and partying he had eight huge breasted models to entertain. Quelle horreur!

You're not going out like that!



LD?

"The best new girls are coming from Eastern Europe," Jack tells us as we lounge around feeling inadequate. "I'd recommend going to Moscow if you want to meet beautiful women, but Amsterdam is hard to beat," he says nodding towards a semi-comatose model intently dragging on a strange cigarette, "so I'll probably stay here for a while yet."

Later that evening, not in a drug den as we expected, but amongst the smashed crockery of Jack's favourite restaurant, the Zorba The Greek, a girl sidles up to our hero, slips him her phone number and kisses his cheek. He smiles at us and shrugs his shoulders.

Lucky bastard!

THE PORN PHOTOGRAPHER

Just another hard day at the office.

yvonne

So you thought 22 year-old Yvonne looked sexy scurrying around behind the scenes eh? Well cop an eye-full of this full-in-your-face, fanny spreading session! The 34B-22-33 sex-crazy stunner told us, "I've worked non-fucking stop (and I mean that quite literally on occasions, the male models were so horny) since I got my big break in *Men's World*, but while it made a change to participate in a *casual* shoot, I really prefer staring straight down the camera lens into the readers' eyes!" We see exactly what she means, don't we chaps?

Whahey!

shag and tell!

Yes, they're all real, but we need a never ending supply of letters about your shagging experiences. If you haven't had any lately, never mind, just let us know which *MW* girls caused a bulge in your trousers – and make it filthy. There's twenty quid for you if we print your letter.

Melanie – all oiled up and ready to go!

DEAR MW

I've been buying *MW* for about a year and am continually amazed at your ability to find the finest babes in the universe, but issue 9/1 was just completely awesome.

First, you thrust the divine Christina under my nose. What an angel, in her little pleated skirt and bobbie-sox. She certainly raised more than my spirits, especially the shot of her flashing her knicker-covered pussy. My cock was trembling. Then I spotted Melanie. Strewth, what a stunner. All that oil smeared over her delicious curves made my dick go into convulsions and I imagined that it was my spunk glistening on her perfect skin. I'd love to take her doggy style, ramming deep inside her, as I squeezed her big, firm boobs. Her mouth looked so inviting I took out my todger and fantasised I was slipping it in between those ruby lips.

I was just about to shoot when I turned the pages and was confronted by an even more perfect vision of sexiness. Yep, Ashley! The ultimate boobs, the ultimate legs and the most snoggable mouth in the known universe. Suffice to say a few strokes later Ashley had become my dream girl.

Melanie and Christina were not forgotten, I hasten to add, they just had to wait a while until I had recovered enough to give them my full attention.

Barry, Halifax.

DEAR MW

Never in my life have I seen such a beautiful woman as Sabrina in issue 9/1, she is absolutely fantastic. Oh how I'd love to lick all the way up her stockings, before burying my face into her lovely pussy.

I would suck her until she came in my mouth and then I'd lie her on her back and fuck her hard until I spurted deep inside her – although the thought of that gorgeous mouth sliding up and down my rigid, hot staff makes me wonder where to start.

Peter, Blackpool.

DEAR MW

Poppy Coles, who has been appearing in your mag rather a lot lately, is a total goddess. Those big blue eyes, long dark hair, fantastic body as well as a cracking pair of knockers and a lovely pussy. What a beauty – she's only 18 and she gets her kit off all the time – fuck me (I wish she would).

Rich, Birmingham.

DEAR MW

For nearly a year now, I've been fronting a small band and we've been gigging around the pubs and clubs circuit. We're not Oasis or anything, but I have to say that I've never had so much dripping pussy at my beck and call. It's incredible!

I don't even think I'm that good-looking, but that doesn't seem to bother the gorgeous groupies that hang around after the gig – they all seem to want to fuck me – and who am I to refuse?

Last Thursday we did a set at a tiny club in central London, one where you're right up against the crowd, and afterwards there were six of the most bollock-churning girls waiting for me outside, none of them more than a year away from 19

More beautiful babes than you can shake your stick at!

Ashley (left) and Poppy (below). Babes or what?

– Caitlin, Catriona, Sarah, Helena, Babs and Simone were all instant trouser-spurt girls, stunners who would turn a head all the way round as they passed. And half an hour later they were all back at my flat, taking their clothes off.

Helena, the big redhead, was unstrapping an enormous pair of freckly boobs in my face and hurrying me to chew her nipples, as Babs, the gorgeous black girl, slurped away at my cock. Silky-haired blondes, Caitlin and Catriona, were licking each other's pussies and Sarah and Simone sat contentedly snuggled under each of my arms, as my fingers carefully explored the contents of their panties.

I was certainly kept busy making sure that all six of the gorgeous teenagers were kept happy and there was such a rapid turnover of lithe bodies that my memories become quite blurred.

I remember lying beneath Caitlin and Catriona as they snogged, slurping their combined juices in one long lick from arse-hole to arse-hole via their pressed-together clits, while Simone bounced on my cock, licked at the join by cunt-thirsty Sarah.

I can remember fucking the blondes with ten strokes in each until one of them got my come (it was Catriona, but a jealous Caitlin pulled me off, so I ended up spunking all over her pussy instead of inside). But I can't remember whether this was before or after Helena and Babs gave me a two way tit-wank, squelching their fantastic stiff-nippled bosoms up and down my stiff rod until I fountained uncontrollable jets of cream over both Helena's freckled jugs and Babs' silky-skinned, ebony bristols.

And to think – some people do this full-time!

Nigel,
Fulham.

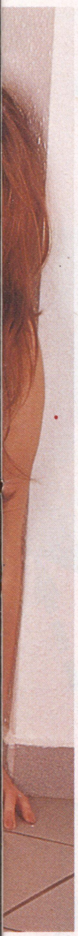
Rachel turned up at Raymond Towers the other day and asked if we wanted her in the magazine. In the stampede to reassure her that we definitely did, in any way she saw fit, she disappeared for a few minutes with a couple of staff. Where did the Rachel 35C-24-35 get to? What was she up to? Well, we have it on good authority that she was showing the two lucky blokes what she looked like naked, so she could prove she's gorgeous enough for *MW*. But why show the janitors Rachel?



CHATLINE TWATLINE!

SO WHERE'S THE PARTY?

SAD? NERD ENOUGH NEVER TO SET FOOT OUTSIDE THE HOUSE? EVEN IF YOU ANSWER 'YES' TO THESE QUESTIONS, CHATLINES PROBABLY AREN'T WHAT YOU'VE BEEN WAITING FOR.

We've all been tempted. It's gone midnight, you're watching TV and just after *God's Gift,* but before *Dear Nick* there's that fucking jingle: "Oh – eight – nine – eight – doublecrap doublecrap doublecrap!"

They must spend a fortune on all those ads. If it wasn't for chatlines late-night TV would collapse. So what actually goes on then? They're always promoted by birds having a party – but if you were a grinning bird having a party, why would you be calling a chatline in the first place? Time to find out.

The phone is answered by a pre-recorded woman's voice. She sounds like she's moonlighting from Radio 4. "Hello. Welcome to the all new chat and date line, the 24 hour phone service where you can interact privately with other single men and women who are on the line right now. To go straight through to the chat line just press the star button on your phone right now." I press the ★ button and right now I realise the catch. They advertise "up to sixty people on line at once," but anyone who's had just a three-way phone conversation will know it's impossible to get a word in edgeways. So you don't talk – you exchange messages. I'm told to record an introduction for other callers on the line.

The phone goes beep and I sheepishly wince, "Hullo, I'm Martin from London."

Now I'm on line and I hear a string of other people's messages: "Hi I'm Jason I'm looking for women," or just "John," or a silence where the caller is too stupid or too chicken to leave their introduction. If you like the sound of one you hit ★ to send them a message.

Unsurprisingly there are not many girls, so when the next introduction is "Debbie," I press ★ with the sort of enthusiasm I'd spare for the best looking bird in the nightclub. "Hiya Debbie, how's it going? I'm just watching some bad TV and smoking a fag, what are you doing?"

I must sound like a right wanker.

While I wait for Debbie (who I imagine to look a bit like Anna Friel) the answering service woman interrupts: "You have a message from Gareth from Northampton."

"Hi Martin. I'm looking for some sex contacts. I'm a straight guy looking for couples or younger women. If you have a nice girlfriend I'd be glad to hear about her."

I decline the invitation to reply. Anyway, Debbie's got back to me!

"This is Debbie. Hi Martin. There's nothing particularly exciting going on here. I live in Guildford. There are only two nightclubs here, but they're all full of teenyboppers. I'm twenty five by the way."

Fascinating. Still, I hit the button and leave her a heart-wrencher about my tough but glamourous life. I'm in there, I reckon – forgetting that the reason that Debbie takes so long to reply is because every bloke on the chatline is 'in there.' So far Debbie has been the only girl on line.

I exchange a few more messages, but frankly this is a long way from the party on the advert. I've been on the phone for nearly an hour and a half at 48 pence a minute, cheap rate and I haven't even got a hard-on. The answer-machine woman comes on the line. Things are getting so bad I'm starting to fancy her.

Finally, I get another message from Debbie: "You sound like you're under a lot of pressure Martin. What you need is a warm bath and a massage," she purrs.

She's right, so I go and have a bath and give myself a massage.

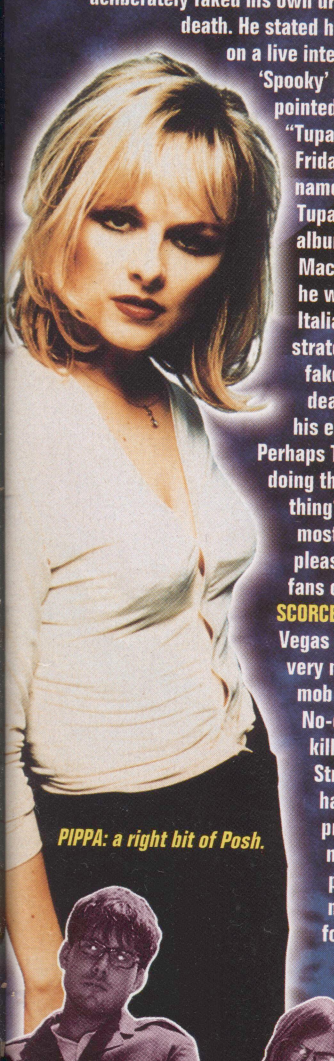
"I've never made love to a girl before and I feel a bit shy," explained 34B-23-34 beauty Sandy. She needn't have worried as her raven-haired partner knew just how to put her at her ease. "Sandy soon relaxed as I stroked her body and when I licked her nipples she just melted beneath me." 36C-23-35 Alex smiled.

From the death of someone who may not be dead, to the resurrection of someone long dead, it's conspiracy theories a go-go this month, hep cats. The Black Dahlia makes sense of the surreal . . .

FRIDAY THE 13TH

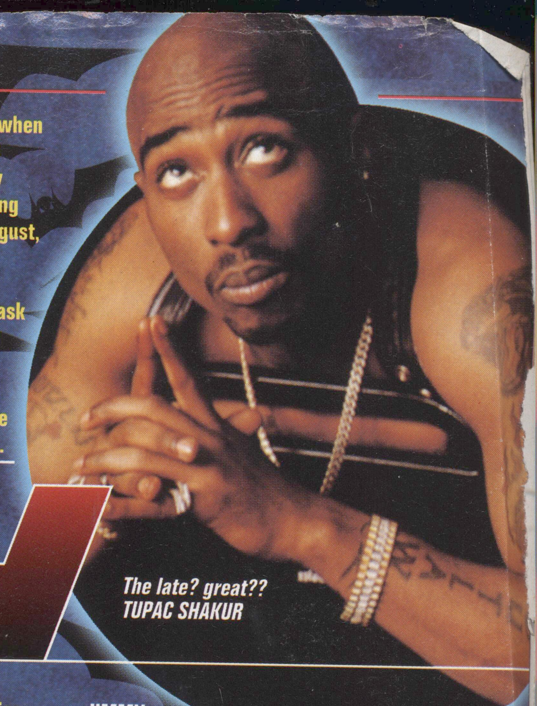


PIPPA: a right bit of Posh.

Starting with **PUBLIC ENEMY**'s **CHUCK D**, who recently became a one-man **FBI** when he decided **TUPAC SHAKUR** had deliberately faked his own drive-by death. He stated his reasons on a live internet line. 'Spooky' Chuck pointed out that: "Tupac died on Friday 13. The name of Tupac's next album is Machiavelli – he was an Italian strategist who faked his own death to fool his enemies. Perhaps Tupac is doing the same thing?" And, most pleasingly for fans of **MARTIN SCORCESE**: "Las Vegas is still very much a mob town. No-one gets killed on the Strip. You have to pretty much get permission for something like that to happen." Hey, Chuck haven't you seen *Casino?*

Our next piece of scary story-mongering comes courtesy of our old pal **COURTNEY**, or to be more specific, her dad. **HANK HARRISON**, who became estranged from his Queen of Grunge daughter when she once suggested that he wasn't exactly a good father, has retaliated by attending 'multi-media lectures' in Canada with **IAN HALPERIN** and **MAX WALLACE** 'authors' of *Love & Death: The Story Of Kurt & Courtney*, a book which suggests **LOVE** engineered her husband **KURT COBAIN**'s suicide. The tour came to an abrupt end when **HOLE** bassist **MELISSA AUF DER MAUR**'s father, a respected Canadian journalist, stormed the stage for a head to head with Harrison. He was restrained and ejected by security men, but the promoter refused to stage any more dates because, "The pressure was too much."

Closer to home, a horrible surprise was in store for Swedish ice maiden **NINA PERSSON** of **THE CARDIGANS** at a recent gig in Wolverhampton, when she looked into the audience and noticed a young fan energetically slamming the salami whilst staring straight at her. To her further disgust, he finished off his work in the surprisingly lengthy time of 20 seconds and had the temerity to ask for a tissue. Not that Nina should have been that surprised. Considering **CHRIS EVANS** is their greatest fan, she should only have expected an audience of wankers.



The late? great?? TUPAC SHAKUR

Rather than being savaged by critics, **TANYA DONELLY** spent the last night with her former band **BELLY** getting savaged by a wild animal. The band, having played their farewell gig in Los Angeles, all went out to get pissed. Relaxing by the pool, they noticed a sweet little raccoon frolicking in the foliage. Tanya went over to make friends and was immediately attacked by the bloodthirsty critter, making a series of rabies injections immediately necessary. "My ass was numb for months afterwards," she reflected.

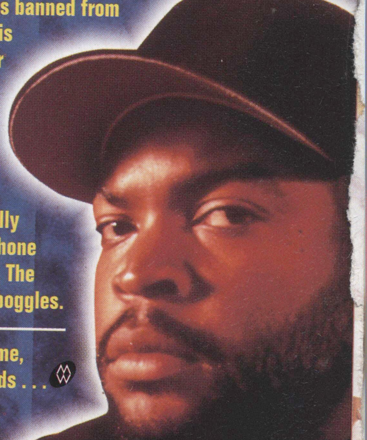
Say hello to newcomers **POSH**, two smooth guys **JAMES DEARLOVE** and **RICHARD EVANS** and one ex-go-go dancer **PIPPA BROOKS**, who was "working as a waitress in a cocktail bar" when she first encountered the others. The international jet-set trio first met in New York, where James was, "Working on a really crap movie and the crew invited me to the Limelight. Pippa was a go-go dancer in a cage. It used to be winched up! And when I met her, I thought 'I can't let her go – let's form a band!'" How, unexpectedly for this page, cute.

SMASHING PUMPKINS' former drummer **JIMMY CHAMBERLIN** has been rehabilitated by none other than fellow former smackhead **KELLY DEAL** of **BREEDERS** fame. Along with ex-**SKID ROW** no-brainer singer **SEBASTIAN BACH** and **FLEMION** of berzerkers **THE FROGS**, they have formed a band called **THE LAST HARD MEN**, covering **ALICE COOPER**'s schlock classic *School's Out* for a new **WES CRAVEN** movie. Said Kelly: "We're like the freaks of rock. Me and Chamberlin were both kicked out of bands, Sebastian is this weird metal dude and Flemion is just plain odd." Can't, err, wait to hear the results.

And finally, rotund **BENNY HILL** fan and erstwhile hard man of rap **ICE CUBE** has been forced to obtain a restraining order to keep an obsessed fan away from him. The woman was ordered to stay at least 100ft away from him and was banned from attending his concerts for at least three years. He claimed the woman had made sexually harassing phone calls to him. The mind fairly boggles.

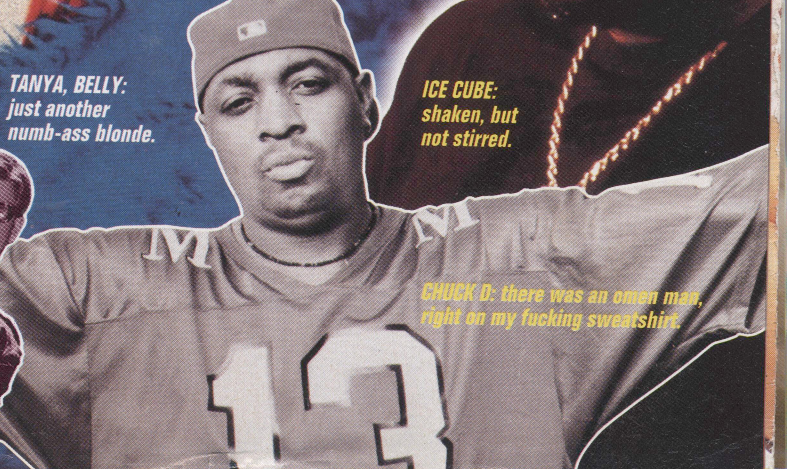
Until next time, gossip hounds . . .

TANYA, BELLY: just another numb-ass blonde.



ICE CUBE: shaken, but not stirred.

THE CARDIGANS: just pull 'em
n, then pull 'em off.



CHUCK D: there was an omen man, right on my fucking sweatshirt.

Titillatingly tasty Tina Willis (33B-23-33) just couldn't wait to try on the PVC gear we bought for her. "It was all part of the deal," she explained to the office slave temporarily assigned to look after her every need. "I'd do the shoot if I got some new gear out of it. I love the feel of PVC when I wear it – it gets me hot, sweaty and horny. Do you think it suits me?" Of course, we don't know what the reply was – all we know is we didn't see either of them again for two whole days.

The Stripper parps out of the in-house P.A. system, a stocking-clad leg slides through a break in the blue velvet backdrop. Then *she* appears to tantalise and titillate the gathering of slack-jawed punters, but at a distance. They don't mind that she's untouchable, they sit there in anticipation of a fleeting glimpse of naked flesh.

Yeah right! That might have been the case back then, but now it's just not enough. Clubland sex is no longer something that's wrapped in an easy-wipe mac and experienced silently in near darkness. Now we want that distance removed and that fleeting glimpse magnified to a full-frontal in-your-face (and, depending on the establishment, on your lap) experience!

Our after-work, out-on-the-town fantasies can only be fulfiled if the sexperience is as full-on and throbbing as the dicks in our pants! The dirty old man is now the daring young stud and his demands are different. So turn up the volume and switch on the strobes, because it's bye bye Burlesque's, "Hello boys," and long live the new flesh! Sex is no longer the forbidden fruit and in keeping with the changing times of the non-stop nineties, at the demand of the paying punter it's something that needs to be seen, heard and literally smelled – if you want it, then it's there for the taking!

But there's a price . . . Don't enter the sex-arena unless you're packing, because the new regime of raunchiness is geared towards grabbing more of your wad than ever! From the moment you enter its mirror-

POL
VS. BURLESQ

Hello, Uncle Sinclair here. I was just reminiscing about the golden age of Burlesque. That's stripping, in your rather common, yet endearing vernacular. Now call me old fashioned, but this newfangled 'Table Dancing' just doesn't seem to have the tease and thrill of Burlesque.

I'm now holding in my hands a wondrous tome by Steve Sullivan, aptly entitled *Va Va Voom!* Published by GPG/Rhino and available on import at £12.99, it features many old flames, such as the sweet Candy Barr. Ahh, I could eat her all over again. This blonde five foot four beauty, who measured 38-22-36, unwittingly appeared as a teenager in one of the first stag movies. In 1953 she graduated with honours from the Dallas 'School For Strippers,' but in '56 she shot and wounded her drunken husband, an event which inspired a song, *The Ballad Of Candy Barr.* She even coached Joan Collins for her role as a stripper in the 1959 movie *Seven Thieves.*

Tempest Storm certainly knew what classic striptease was about and her 1957 appearance in the Minsky Revue at the Dunes Hotel, Vegas was the talk of the strip. She really could kick up a storm and was billed as: "The biggest attraction in Burlesque today – so big we had to use widescreen . . . The girl with the 40 plus bust who goes 3D two better!"

Then, of course, there was Lili St. Cyr, who with her years of classical ballet training elevated striptease to the level of high art.

These lovelies were seen from a distance – and part of the fun was the sheer naughtiness of watching. All of that has been taken away now with today's in-your-face acts.

Unfortunately, very little film of these beauties is still in existence, although Tempest Storm appears with legendary pin-up gal Bettie Page in the Irvine Klaw masterpiece *Teaserama*,

balled portals any shyness is annihilated as you're enveloped in a turbo-techno environment that sends you into a pheromone-charged frenzy of craving sex! Sex! Sex! Subtlety is a dirty word as the female raunch-hands strut their sex-soaked stuff, spinning around poles and spread-legged on tables. Ever smiling, they thrust their (sometimes) silicone enhanced sexuality in the face of Joe Punter, their routines geared towards a crescendo pay-back cascade of well earned cash!

But while the table-top and pole dancing darlings are an absolute pleasure to some, there's a whole bunch of dickwads that are outraged at the very thought of such a *service* being legally and readily available for whoever desires it. But hey, they're the same miserable fuckers that believe seeing sex exposed so blatantly in magazines, advertising and the movies actually goes some way to demystifying it. You can never have enough tits, I say.

Does wanting greater access to consentual sexual entertainment make us some new breed of demonic sex-deviants?

Frankly no! We are all just as capable of making sex as personal and as intimate as anyone does behind closed curtains, we just don't (and thankfully no longer have to) want to be restricted to the privacy of our own pits. The fact of the matter is, sex should be about freedom of choice and I choose it to be very rude. Anyone that's got a problem with that – go fuck yourself!

Thinking, as I was of massive mammaries – only two words need to be said. Jayne. Mansfield. That says it all doesn't it? All her recorded work is available on a CD entitled *Too Hot To Handle*, including a 35 minute recording of her Burlesque show at the Dunes Hotel, originally released under the apt title *Jayne Mansfield Busts Up Las Vegas.* Dear Jayne starred in the 1960 classic movie of the same name, portraying a stripper in Soho. I remember the shock waves she caused in my trousers, performing in a totally transparent evening gown with rhinestone clusters barely covering her ample buttocks and heaving . . . NEIGHBOURHOOD

It's 75° in the shade and the cold beer in your hand is hitting the spot. You're distracted by a sound from next door. The new neighbours. You peer surreptitiously over the fence and see a goddess hanging out the washing. Ducking down you hope she hasn't seen you, but you look again at her beautiful, tanned body encased in a flimsy dress. She's bending over and you can see the delicious curves of her bottom. You're mouth goes dry and you nervously lick your lips as she begins to strip in the heat. You know it's wrong, but you can't resist staring at her soft firm breasts. Then you gasp as she slips her hand down and inside her panties. Is she fingering herself or

against his face as yet another orgasm ripped through me.

Simon must have realised that it was time for a rest. He slowly retrieved his tongue and slid it towards my crack.

That did it for me. "I'm hungry for your cock," I hissed at him, "fill my tight little hole with your big cock." I reached between my legs, grabbed the stiff member and rubbed the tip of his bell-end between my pussy-lips.

As you will have probably gathered by now, I like my sex sweaty, hot and fast. Believe me, I was not disappointed. Simon rammed his cock home and shafted me furiously. Every thrust stretched my slit wider. It felt as if he would come out through my mouth. I was in a different world. I was screaming with delight, shouting obscenities like: "Oh baby fuck me, fuck my cunt hard, make me come all over your fat cock then shoot your spunk!"

Simon loved my dirty talk, the more obscene I got, the faster he fucked me.

I tightened my soaking pussy-lips around his shaft. A flood of spunk filled up inside me. At the same time, I had the strongest multi-orgasm ever.

We both groaned and collapsed. As I rolled over onto my back, I scooped a sliver of sperm from my oozing pussy onto my fingers and brought them to my mouth. I sucked the cream in and relished the taste.

We lay there for a while cuddling up and and gently playing with each other's sex organs. Slowly but surely this aroused us again and lead to another brilliant fucking session. Needless to say we didn't get very much sleep that night!

My pussy is still tingling as I write this letter.

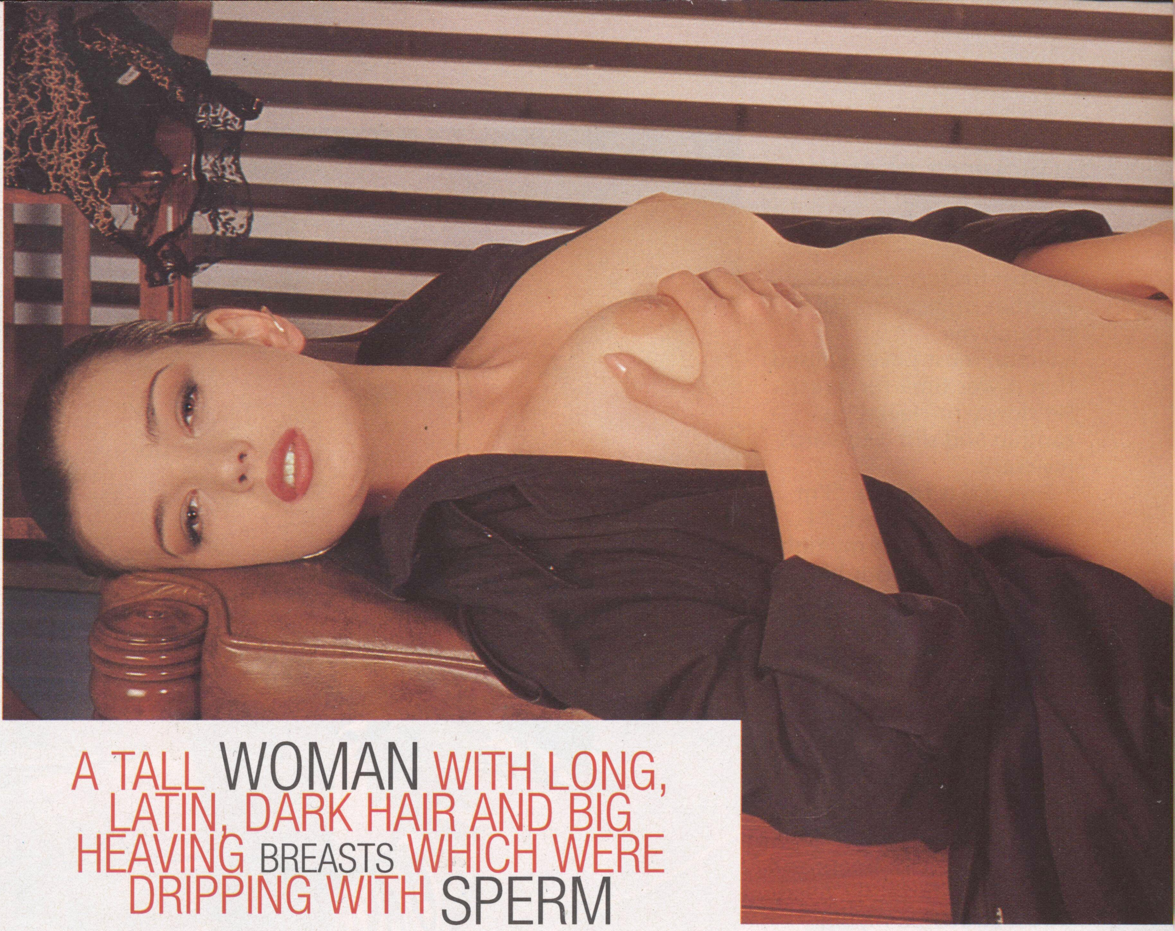
"OH BABY FUCK ME, FUCK MY CUNT HARD, MAKE ME COME ALL OVER YOUR FAT COCK THEN SHOOT YOUR SPUNK!"



A few weeks ago, I found myself being dragged along to an Ann Summers Party. I'd just dumped my boyfriend who was getting too serious and I wasn't in the mood for sitting with a bunch of married women squealing over dildos and split-crotch panties.

Sure enough, that's exactly what it was and by half-nine I wanted to tell the jaded harpy who was doing the talking precisely where she could stick her bloody Ben-Wa balls.

Kaja, the hostess, however, was very different – tall, dark haired with a cool sophistication about her. She had long legs and high, breasts that moved easily in her dress. I caught her looking at me at one moment and I felt myself go slippery in the knickers. She noticed I was bored and took me aside.

A TALL WOMAN WITH LONG, LATIN, DARK HAIR AND BIG HEAVING BREASTS WHICH WERE DRIPPING WITH SPERM

"We're having a much more interesting party here next Saturday night. Why don't you come?" I looked round the room where the girls were sampling cock-shaped chocolates and shrieking like schoolgirls. "None of them'll be here," she whispered. "I don't think they're relaxed enough."

When I got to bed that night, my pussy was oozing juice copiously and I came quickly thinking lesbian thoughts about the gorgeous Kaja, wondering what happened at her parties as I jerked myself off.

Saturday came and I seemed to spend most of the day nervously preparing for the evening, carefully painting my toenails and wondering if I should trim my pubic hair as I like to keep it neat.

My breasts are mid-size and a good shape, so I decided not to wear a bra and covered them only with a thin black dress which left them quite visible, my stiff, pointy nipples staring back at me in the mirror. I couldn't help thinking that it would be nice to feel Kaja's tongue licking them.

Underneath I wore my sheerest black stockings, my prettiest suspender belt and a flimsy G-string stretched inadequately over the pouting lips of my cunt.

I painted my lips a bright, glossy red and wondered where the lipstick would end up. I hoped I was right about this party.

As I approached the door, there was little sign of any party. I could hear no music and hardly any conversation. Kaja answered, looking absolutely stunning in a tight, black dress. She smiled, welcomed me in and kissed me. And what a kiss. Not only was it a passionate, tongue-and-throat lipstick-lesbian kiss, it was sticky and full of a rich and redolent taste I recognised as spunk.

"Do you like the taste of my husband's spunk?" she asked. "He had just ejaculated when you rang, and I thought that it would be rude not to share it."

Suddenly I was being introduced to a beautiful man with a perfect erection protruding from his leather trousers, its tip wet and dribbling a milky bead of come. He kissed me too and the taste was unmistakably cunt. "Let's go through,"

said Kaja. I couldn't believe my eyes. The living room seemed to be full of the most stunningly beautiful people, men and women, that I had ever seen and they were all getting off together.

Two slim young girls who couldn't have yet seen their twentieth birthdays rushed up to Harry and pushed him to the floor, before both straddling his hungry mouth, grinding their hairy cunts together as he sucked on both clits at once. "Harry loves cunts," said Kaja. "He's dying to see yours. So am I. Come on, let me introduce you to people. These two are Corinne and Helen."

The two girls grinding themselves into Harry's face broke off their passionate snogging to smile at me. "They're students who live next door. This is Jake . . ." she said, as we passed a muscular black guy feeding his enormous cock up between the broad, tanned buttocks of a tall woman with long, Latin, dark hair and big, heaving breasts which were dripping with sperm. "And that's Gina." They both smiled and I saw that Gina's mouth was covered in spunk too.

The cock responsible belonged to a man called Tom, whose face was hidden beneath the hips of the svelte blonde whose long, dangling labia he was chewing on.

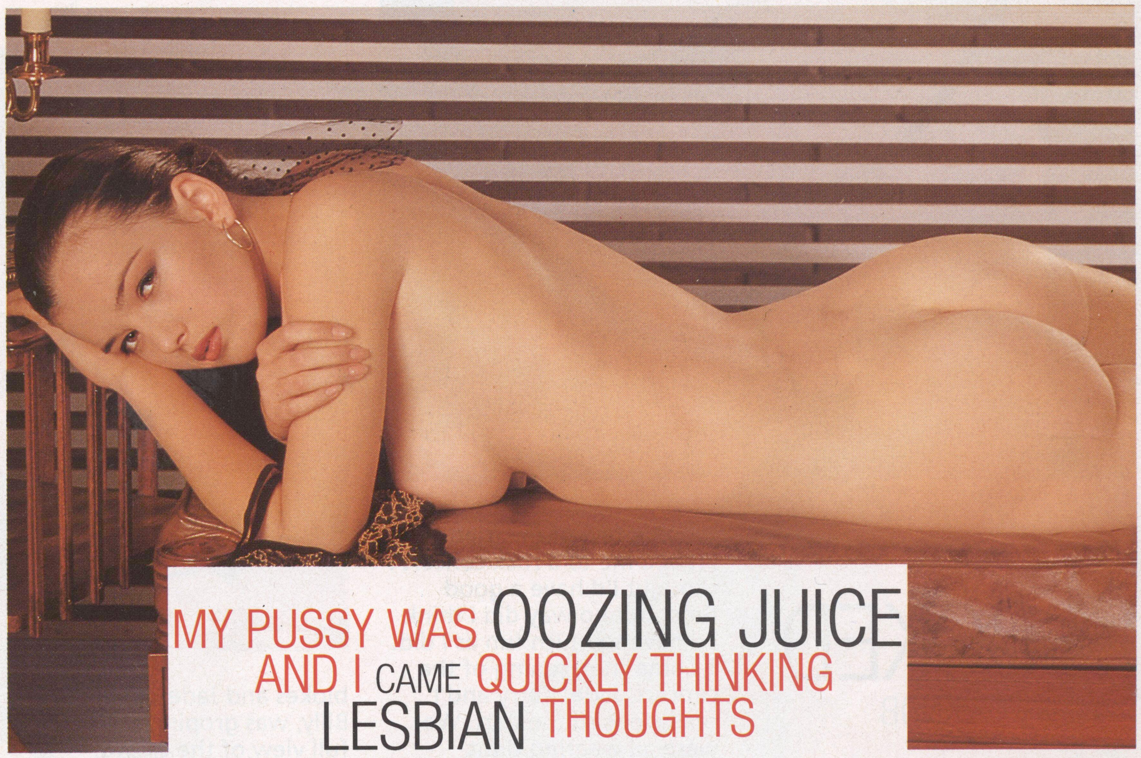
"That's my sister, Helga," said Kaja. "She just loves having her pussy sucked."

"Mmmm, I know the feeling," I said.

"Oh please," said Kaja, "let me."

I'd never had any kind of experience with a woman before, but I soon found myself reclining on the floor as Kaja pulled my dress up and cooed approvingly at what she found. "Mmmm, sexy knickers!" she said, "and a sexy cunt inside. Mmm, you smell good!" I watched as her beautiful Swedish face descended to my pussy and shuddered as her long tongue slipped deliciously inside my juicy love-flaps.

Inches away, I had an excellent view of Tom's enthusiastic sucking of Helga's pussy and it was clear from the way she was gasping that she would come soon.



MY PUSSY WAS OOZING JUICE AND I CAME QUICKLY THINKING LESBIAN THOUGHTS

Meanwhile Gina had taken an interest in my boobs, opened my dress and was sucking and licking my sensitive nipples as her body rocked with the force of Jake's rear-entry fucking. Kaja had a thumb in my vagina as she chewed on my erect clit and Helga's bulging clit looked fit to burst.

Suddenly Helga came and creamy cunt-juice spurted from between her lips to be lapped up by Tom. My own orgasm rushed over me immediately, as Gina bit hard on my nips. Jake gave a prolonged groan and it was clear that he was about to come in Gina's pussy.

As he withdrew, she grabbed the opportunity to straddle my face, thick white jism drooling from her open, just-fucked vagina into my mouth. I concentrated on sucking the salty juice from her as I reached up to squeeze her lovely, slick breasts.

Kaja had turned round and was now rubbing her fleshy pussy-lips against mine, rocking towards her own orgasm. Tom, who was stiff again after Helga came in his mouth was trying to penetrate Gina's hairy pussy as I sucked it, but missed his stroke and flooded my mouth with his sperm instead, which I swallowed as eagerly as he'd swallowed Helga's juice.

Harry appeared, with his teenage hand-maidens on each arm, who looked flushed from their double licking and knelt behind Kaja so that he could rub his big penis over and around both of our pussies at the same time.

"Oh, women are wonderful!" he declared, as he slipped his knob into us each in turn, rubbing it all over our pussy lips and clitties. "Your cunts are just so . . . so beautiful!"

His young helpers were holding his cock for him, wanking him as they rubbed him over our fleshy pussies and it was no surprise for Kaja and me to feel his hot sperm flooding out over our cunt-lips. It still made us come and the feeling of Helen and Corinne slurping the spunk from our pussies was so sexy, I thought I'd never stop.

Kaja has invited me to her next party. She says there'll be more men this time.
Naomi, Hampstead.

I SUCKED HIS KNOB STRAIGHT INTO MY MOUTH AND SWIRLED MY TONGUE ALL OVER THE TIP

LEATHER LUST

When a few of my friends invited me to a rock concert I thought I'd have a good time, but no way did I think I'd have so much fun as I did.

Come the evening of the concert, Jade, Kerry and I really looked the part. We were all wearing tight leather jackets, miniskirts and high-heeled boots. I had a push-up bra on, which could be seen from under my sleeveless denim jacket and I let my long, blonde hair fall loose around my shoulders so I could shake it around wildly to the music. I love doing that because I know the blokes get randy seeing my tits jiggle about.

When we got there, Jade and Kerry met up with their boyfriends. Most girls would feel a bit pissed off about their friends buggering off, but not me! It just gave me an excuse to get off with some leather-jeaned hunk – and believe me, there were plenty of them!

After about four songs, the venue was really jumping. I could see that Jade and Kerry were well into their blokes and Jade's boyfriend, Billy, was groping her tits in full view of the crowd.

I noticed this tall, blond-haired bloke standing a couple of feet away from me. I could see he was eyeing me up on the sly so I started to go for it. As if on cue the band got going on a really raunchy number and I went mad. At the same time I gradually moved nearer to the blond-haired bloke. Then the music changed and the whole crowd started jumping around again. Someone banged into me and I went flying, straight into the arms of the mystery man.

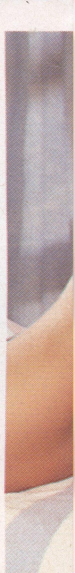
"I was wondering how I'd introduce myself, but it looks like you've done it for me," he grinned, still holding me close. "My name's Paul, by the way."

I laughed and told him my name as we danced together. Paul was quite a mover and I had a great time as we ground our hips together. Then I realised that his leather jeans seemed rather firm, so I reached down to have a feel – well, Paul did have his hand inside my bra!

"Mmmn, that feels nice," he mumbled as my fingers pressed against his cock.

"Let's go back to your place," I said, squeezing his shaft even tighter.

Paul grabbed my hand and five minutes later we were outside hailing a cab.



Luckily for us, his flat wasn't very far away or the cabbie would have had us for indecent exposure!

As soon as we got into Paul's flat I was on my knees, pulling his flies open and grabbing his cock. All I wanted was his cock in my mouth and that's exactly what I got.

I sucked his knob straight into my mouth and swirled my tongue all over the tip. My right hand pumped up and down his shaft as I sucked more and more of his cock into my mouth. I was moaning with pleasure and I could feel Paul getting tenser by the second.

"Fucking hell, you'll make me come if you keep doing that, you naughty girl!"

I just sucked harder and was rewarded by Paul spurting hot semen down my throat. Mmmn, lovely – I was just getting warmed up!

I left Paul panting in the hallway and wandered into the lounge. While he caught his breath I peeled off my clothes until all I had on were my boots. My fingers found their way to my slit and I couldn't resist tickling my clit as I laid back on his sofa with my legs spread.

When Paul came his eyes nearly popped out. "Where's my camera when I need it!"

"Come here and lick my pussy," I told him, "if you do it right I'll let you fuck me."

Paul didn't need telling twice. He was on his knees in no time, flicking his tongue over my juicy fanny-flaps, and driving my cunt wild with his fingers. Much more of this and I'd be coming too, I thought. But I wanted his cock, I wanted to feel his knob sliding past my labia.

"Come on Paul, fuck me! Please, fuck me!"

I GASPED AND GRABBED HIS PISTONING BACKSIDE WITH MY HANDS, PUSHING HIM IN FASTER AND DEEPER

Paul quickly pushed my legs back against my shoulders and thrust his cock against my pussy. At first I felt his knob nudging my fanny-flaps, then I felt him push into me with one steady thrust.

"You want me to fuck you hard?" he grunted.

I gasped and grabbed his pistoning backside with my hands, pushing him in faster and deeper. Then Paul really let go, pulling his cock out so only the tip of his knob was in me and thrusting back in like a battering ram. I started to come over and over again, Paul's cock driving me wild.

As I came, my cunt walls squeezing Paul's cock even harder, I felt him start to come too. He grunted like an animal and shot another load into my willing body. It was one of the best fucks I've ever had.

PAUL QUICKLY PUSHED MY LEGS BACK AGAINST MY SHOULDERS AND THRUST HIS COCK AGAINST MY PUSSY

Paul fixed us some drinks after that and then we went into his bedroom. We spent another couple of hours, fucking, sucking and licking each other to orgasm. All in all it was quite an exceptional one night stand.

As you may have gathered, I've had a lot of blokes in my time, but I think I'll make an exception with Paul and see him on a regular basis. There may not be the excitement of fucking a stranger, but he sure knows how to get me going. We may go to another concert and find an extra partner for me!

In the '60s it was possible to take a weekly TV tour of a place that lay between science and superstition; where the unbelievable became understandable. Such a dimension is fiction no more. So cue eerie signature music as Mr Chainsaw guides you through the weird, wild and wonderful world that we call . .

THE WEB ZONE

this month: bendy babes!

THE CONTORTION HOME PAGE
http://www.escape.com/~silverbk/contortion/

Even in the most trying of times, it was always a well known fact that no matter how bad things got, contortionists always managed to make both ends meet. Well if that's the case, where the fuck are all the benders (as they are known) now? While your dear old grandad may remember the geezer in the green tights that would perch his twisted carcass on top of a pedestal and croak like a frog, or the ass-flipping acrobat that could sit on her own head, you'll be hard pushed to catch sight of many such torso-twisters since the travelling circuses and carnivals have all but dwindled into non-existence. However, each and every curious one of you can now . . . "Roll up! Roll up! and gaze in wonderment at the world's greatest collection of back bending beauties. Let them show you how being super-supple means being super-sexy!" Yes folks, the benders have a new home where they'll live forever!

As you may have guessed the main attractions in benderville are female and while some of them are no-longer active in this deliciously demented form of body manipulation, fortunately for us they are visually still in circulation – so let me introduce you to some of its most sexsational celebrities . . .

Queen of Elastic, Charis
http://www.escape.com~silverbk/contortion/charis.html who is conceivably the tallest (at 5' 7") contortionist in the world and goes about her bendy business decked out like a kinky Cleopatra!

Everbendy Elisabeth **http://www.escape.com~/silverbk/contortion/liz.html** strutted her stretchy stuff in the circus-ring for many years.

Lithesome Lena Derejska
http://www.escape.com~/silverbk/contortion/lena.html defies you not to smile at her back-arching antics.

The Incomparable Ula
http://www.escape.com/~silverbk/contortion/ula.html billed as the world's most flexible woman, says, "I work my body with an iron discipline for a minimum of four hours every day, so that I can go beyond my present range of flexibility." So you better hide the Weetabix if she drops in for breakfast!

Be warned, you may suffer severe brain and eye strain through staring at the Indian-rubber star-stretching cast and wondering how in hell they don't do themselves some serious damage! Having said that, I know what thoughts are really lurking behind the furrowed brows of each and every one of you pervy little puppies . . . Yeah, imagine what the elastic-limbed lovelies are like in the sack! . . . They're undoubtedly capable of performing the most awesome positions.

If you fancy getting in on the act, strut your butt over to The Contortion **Documentation Project** **http://www.com/~silverbk/contortion/talent/cts-gen.html** and participate in their talent search . . .

You have just visited **The WEB ZONE.**

The modern secretary. Is there nothing she can't do?

blitz

suggestion, they sneaked off into an empty bedroom and without removing their masks, she sucked him to stiffness then fucked his brains out!

So that Bob would be none the wiser about who he'd shagged, Carol rushed off home so that she'd be there when he returned. She hid her costume, got into bed and awaited his arrival, eager to see how he behaved.

When Bob got home and Carol asked him if the party had been any good, he told her that his computer at the office had crashed, he'd stayed late to re-input all the lost figures and lent his costume out! Was she shocked or what?

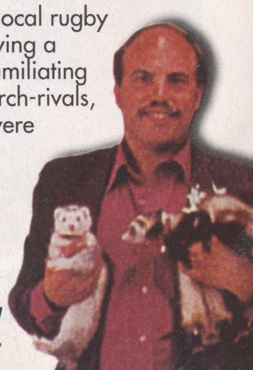
You're probably wondering how I know about this sexy story. Well let me just say that Carol now chomps my carrot on a regular basis!
Tony, Liverpool.

What's your secret Tony? It seems like your lucky streak has no bloody bounds!

SOFA NOT SO GOOD!

Dear Men's World,
You're probably not going to believe this story, but oh, what the hell . . .

I play for the local rugby team and following a recent rather humiliating defeat by our arch-rivals, we (the team) were drowning our sorrows with a few bevvies in the post-game communal



Fuck off baldie. These are the only things I'm stroking tonight.

MY PIG'S GOT NO DICK

Chicks love a man in uniform. That being the case they're gonna be gagging to get hold of this pocket-sized plastic pig. It's none other than that top cop on the block, ***CHIPS'*** very own Ponch. Erik Estrada has been immortalised (or should that be immobilised?) in the only role he's remembered for. OK it hasn't been on regular telly for ages, but it must be on cable soon. Until that day, you can see what he's really got in his pants.

MW reader Dave Andrews sent us this list of things he'd love to do, given half the chance. There's a tenner on it's way Dave. It'll help buy your train ticket to the *Noel's House Party* studio at least. Oh, and good luck!

I'D LOVE TO...

- Fuck Drew Barrymore senseless.
- Get swimming lessons (especially the breast-stroke) from Pamela Anderson.
- Watch all the male Gladiators give the female Gladiators a good seeing to, with Ulrika judging their performance – naked of course.
- Smash up the telly, especially when Ruby (I got an extra slap with the ugly stick) Wax is on it.
- Stick Mr. Blobby's head right up Noel Edmunds' arse.

Dave living out the only one of his fantasies that is actually possible.

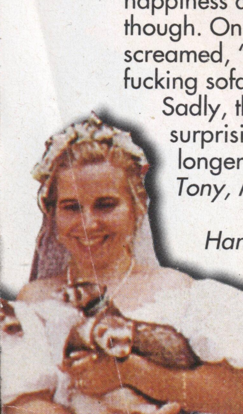
bath, when our prop-forward produced a copy of a readers' wives magazine.

We all took a keen interest in the parade of naked nubiles, especially one named Nancy and when it was the team captain's turn to check-out the chicks he soon found out why – it was his wife!

He wasn't embarrassed though (no need, she's an absolute goddess). In fact he was glad that the mag had finally printed the pictures. His happiness didn't last for long though. On closer inspection he screamed, "That's not my fucking sofa!"

Sadly, though not surprisingly, they are no-longer together!
Tony, Merseyside.



Hang on a minute – what's the story with scousers called Tony? ◇

Feeling too tense? Then take a leaf out of Martina's book – get out into the wide-open spaces and sleep in a tent. "I love to get back to nature every once in a while," the 33B-22-34 sex-goddess told us, "especially when I zip two sleeping bags together and *really* get back to nature with some gorgeous bloke I've taken along. You've got to be careful though. I once shagged so hard the tent collapsed!"

Whahey!

shag and tell!

DEAR MW

In case all you men out there thought that you had the monopoly on drooling over pics of gorgeous girlies, let me point out that there are quite a few of us lesbians out here longing for the next *MW* to come out so that we can top up the monthly frig quota.

And we're not ugly dykes either. Some of us are gusset-creaming honeys with bodies that would make you cry when you realised you couldn't have them. So lie back, take John Thomas, or whatever you call him, in hand and let me tell you about it.

I'm 25, 5' 10" (a retired model) with tits that look big in just about anything and a weakness for wearing seamed, black stockings.

I've been picking up girls and luring them into things lesbian for as long as I can remember. My current bed-warmer, Jade, is all blonde curls and glossy lips, has just finished her A-levels, wears nothing more sophisticated than jeans, those cut-off tops that let your boobs slip out the bottom and thin, white knickers.

We like to read *MW* together fantasising about what we'd do to the girls and what they'd do to us.

The first time we did this, I didn't know how Jade would react, but as we looked at a particularly gorgeous babe, Jade suddenly asked, "Would she do this?" Without warning slurped her tongue up between my moist labia. I moaned with pleasure and gazed down at her lovely eyes peering up between my thighs as she started to suck my clit. "Ohhhh. Something like that, I think," I replied. "What about this?" she said, and started to thrust her long tongue deep into my vagina, with slow, pumping strokes. "I think so." I closed my eyes and revelled in the delicious sensations.

When they stopped for a tantalising moment, Jade offered me a deep, open-mouthed kiss, dripping with the flavour of my own cunt.

Then she returned to her task, this time leaning over me, her white gusset inches from my nose. I inhaled the delicious combined scents of her cheap talc and her oozing teenage pussy.

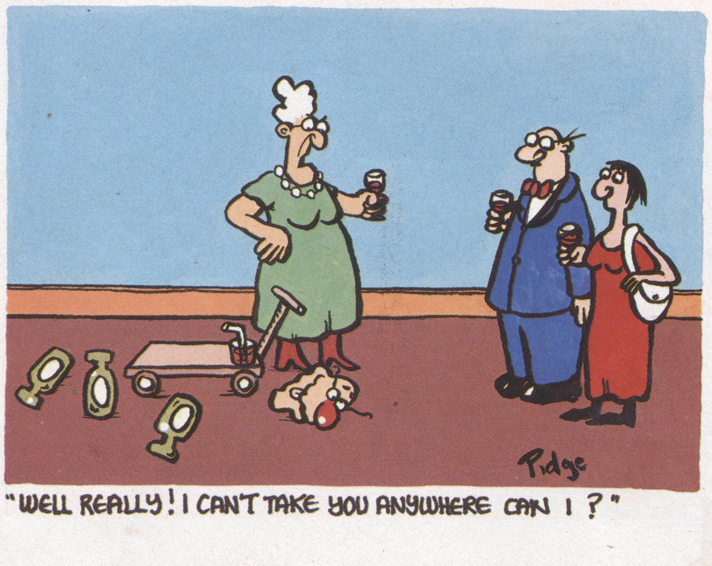
She pulled aside her pungent knickers, allowing her delicious pussy-flesh to flop out onto my waiting tongue, full of her tangy, salty juices.

I can't remember how many comes we'd twitched through, but there came a moment, when Jade, not to be outdone, said: "Well, I bet she wouldn't do this," and I felt two slim, spit-wet fingers slip straight up my arse-hole.

It was too much! I went berserk with pleasure. I just had enough wits about me to notice, bobbing above me, the bare head of Jade's clitoris and to suck it hard. She exploded, squealing with delight, as her cunt splattered my face with her cream.

I tell you, us lezzie girls have got it made.

Tanya, Rickmansworth.



"WELL REALLY! I CAN'T TAKE YOU ANYWHERE CAN I?"
